

CYCLEWASH · DATASHEET

LuftWASH

The innovative cleaning lance for pre-cleaning, rinsing, and air drying. Compatible with all cycleWASH bicycle washing systems.

KEY FEATURES

Ultra-low water consumption

Less than 1 litre per minute from a water tank or fresh water connection below 1 bar pressure

Extremely gentle

Safe for bearings, seals, hubs, chains, and decals

Multi-function

Pre-cleaning, rinsing, and compressed air drying in one tool

Air pressure technology

Effective cleaning without high-pressure water damage

Universal compatibility

Works with all cycleWASH systems
