Liability for Content

As a service provider, we are responsible for our own content on these pages in accordance with general laws (§ 7 TMG). However, we are not obligated to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity (§§ 8–10 TMG). Obligations to remove or block the use of information under general law remain unaffected. Liability in this regard is only possible from the time of knowledge of a specific infringement. Upon notification of violations, we will remove the content immediately.

Liability for Links

Our website contains links to external third-party websites over whose content we have no influence. Therefore we cannot accept any liability for this third-party content. The respective provider or operator of the linked pages is always responsible for their content. Linked pages were checked for possible legal violations at the time of linking; no illegal content was recognisable. Permanent monitoring without concrete evidence of an infringement is not reasonable. Upon notification of violations, we will remove such links immediately.

Copyright

The content and works created by the site operators on these pages are subject to German copyright law. Duplication, processing, distribution, or any kind of exploitation outside the limits of copyright law require the written consent of the respective author or creator. Downloads and copies of this page are only permitted for private, non-commercial use. Where content was not created by the operator, third-party copyrights are respected. Should you nonetheless become aware of a copyright infringement, please inform us accordingly. Upon notification of violations, we will remove such content immediately.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Inc. Google Analytics uses cookies to help the website analyse how users use the site. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there. For more information on how Google handles user data, please refer to Google's privacy policy.
